Environmental Policy

At Aviedale Cottage we strive to be as green as possible.
Our good environment practices include:

Recycle as much waste as possible

- Glass, tin, newspaper and cardboard go in the recycling bin for collection
- Food waste goes to the hens or the compost heap
- We collect certain items for Terracycle and drop off at Orphir Community School. A list can be found in the guest information area

Careful Purchasing

- Cleaning products are environmentally friendly such as Ecover and Method
- We buy local where possible
- We buy fair trade where possible

Making sure our guest information includes environmentally friendly options

- Cycle routes
- Walks

Reducing energy use

- Towel reuse policy to save water and electric
- Low energy light bulbs
- For stays of 4 nights or less bedlinen will not be changed, for stays of 7 nights or less bedlinen will only be changed if requested.
- For stays of more than 7 nights your linens will be changed on day 5.
